EXPERIENCE

OCTOBER 2024 – PRESENT

FREELANCE TECH WORK FOR CHURCHES, SELF EMPLOYED

- Worked for various churches in system design, installation, and training volunteers on tech equipment.
- Provided AV Technician services for church events.

JUNE 2022 – SEPTEMBER 2024

TECHNICAL PRODUCTION MANAGER, CIRCLE DRIVE ALLIANCE CHURCH, SASKATOON

- Oversaw scheduling and training for technical needs both in-person and online livestream.
- Led a volunteer team of about 20 people, with 8 positions for a Sunday morning.
- Maintain, repair and upgrade A/V equipment as needed, including cable repairs, equipment repairs, and installation of new equipment.
- Migrated one lighting setup from using a physical lighting board to digital lighting setup using MyDMX 3.0.

AUGUST 2020 – JUNE 2021

MINISTRY INTERN, WESTGATE ALLIANCE CHURCH, SASKATOON

- Helped maintain and add upgrades to the tech booth, including helping transition to livestream services. This included setting up several key components for the livestream.
- Helped in a variety of ministries, including Sunday services, youth ministries, and kids' ministries.
- Filmed and edited a variety of videos to provide ministries during COVID restrictions.

SEPTEMBER 2019 – APRIL 2020

CHAPEL TECH COORDINATOR, AMBROSE UNIVERSITY, CALGARY

- Looked after all tech needs for every chapel service, which included audio, ProPresenter, and basic lighting.
- Recruited, trained, and scheduled a team of volunteers.
- Provided recommendations for tech upgrades.

MAY 2019 – AUGUST 2019

MINISTRY SUMMER INTERN, WESTGATE ALLIANCE CHURCH, SASKATOON

- Work with a small team to plan and run an eight-week Children's Summer Camp, which involved curriculum planning.

JUNE 2018 – AUGUST 2018

SPRAY ASSISTANT, MELBERN VEGETATION, DAWSON CREEK, BC

- Wrote paperwork required by the government daily.
- Organized and packed equipment needed for the day as we worked away from our shop.

SEPTEMBER 2012 – AUGUST 2017

FAST FOOD, DAWSON CREEK, BC

- Wendy's Restaurant, May 2017-August 2017
- McDonald's, September 2012-June 2016
- Worked in kitchen and front service at both companies.
- Learned communication with coworkers as well as customer service.

EDUCATION
